ATTACHMENT A (Snap, Inc.)

A. Snap, Inc. personnel shall isolate the information associated with the account with the user name “**prophetickaiser**” and associated with phone number 443-813-7730, and provide in electronic form to the agent who serves the search warrant an exact duplicate of that information. With respect to the account, this information includes:

- a. All records or information in the Accounts and maintained regarding the creation and use of the Accounts, including Basic Subscriber Information, Snapchat username, E-mail address, phone number, Snapchat Account Creation information, Timestamp and IP address logins and logouts, address books, contact lists, telephone numbers, Snaps, Stories, and Chats.
- b. The contents of all messages sent to and from the Accounts, including stored or preserved copies, drafts of messages, any deleted messages that are stored, the source and destination addresses associated with any messages, the date and time at which each message was sent, and the size and length of each message.
- c. All records or other information regarding the identification of the Accounts, to include full customer or subscriber name, customer or subscriber physical address, local and long distance connection records, telephone numbers, and other identifiers, records of session times and durations, the date on which the Accounts were created, the length of service, the IP address used to register the Accounts, log-in IP addresses associated with session times and dates, account status, alternative email addresses provided during registration, methods of connecting, log files, and means and source of payment (including any credit or bank account number).
- d. The types of service utilized.
- e. All records pertaining to communications between Provider and any person regarding the Accounts, including contacts with support services and records of actions taken.

B. Law enforcement personnel will thereafter review all information and records received from Snap, Inc. employees to determine the information to be seized by law enforcement personnel. The information to be seized consists of information that constitutes evidence related to the attempt to provide material support to a designated terrorist organization, in violation of 18 U.S.C. § 2339B, and/or the possession of child pornography, in violation of 18 U.S.C. § 2252, including records relating to the identities of those who created, used, or communicated with the account.
